IMPORTER OF FOREIGN PERFUMERY—JEAN MARIE FARINAS BAU DE COLOGNE.

MORGAN'S CIRCASSIAN POMADE,

For restoring and beautifying the Hair.—This invaluable preparation having obtained the Royal patronage is still offered to the Public by the proprietor, after *eighteen years'* practical experience, as the most salutary and efficacious means of restoring, strengthening, and invigorating the hair; it is particularly recommended to those whose hair is impaired from intense study, fevers, change of climate, or general debility, rendering unnecessary the extreme unpleasantness of shaving the head, it eradicates all scurf and dandruff, imparts an additional vigour to the roots of hair, at the same time gives it a glossy brightness and beautiful tendency to curl.—Sold in Pots 2s. 6d., 5s., & 10s. 6d. each.

MORGAN'S ROYAL EXTRACT OF FLOWERS.

An entirely new, elegant, and refreshing Perfume, superior to any other ever offered to the public patronage, *five* drops are equal in power to half an ounce of Lavender.—Price, 3s. 6d. per Bottle.

MORGAN'S LOTION, warranted perfectly innocent.—This Lotion eradicates all freckles, pimples, tan, redness, scorbutic eruptions, erysipelas, stings of insects, &c.; it possesses energetic yet pleasing and mild properties in beautifying the skin. The distinguished preference which this article has received since its first introduction in 1839, and the numerous instances of its successful effects, after every other preparation had failed, render it unnecessary for the proprietor to add anything in proof of its peculiar merits—a single trial will suffice to establish its superior claims to general confidence.—Price, 2s. 9d. 4s. 6d. and 8s. per Bottle, duty included.

MORGAN'S BRITISH AROMATIC TOOTH POWDER.

This valuable preparation is the most innocent and efficacious ever yet discovered for the Teeth, in restoring them (however much discoloured by neglect, or other causes) to a beautiful transparent and pearly appearance, without injury to the enamel: it fastens those that are loose, decomposes the tartar, and also imparts a delightful fragrance to the breath.—Price, 1s. 1½d. and 2s. 9d. per Box, duty paid.

MORGAN'S EXTRACT OF ELDER FLOWERS,

For softening the skin and improving the complexion. As a family Lotion, to use on all occasions, MORGAN'S EXTRACT OF ELDER FLOWERS will be found beyond all praise, and needs only a trial to be approved; to children it is singularly beneficial and perfectly unobnoxious even to the youngest infant.—In Bottles 2s. 9d. each, duty included.

Unequaled for cleansing and beautifying the Hair.—Sold in Bottles, at 2s. & 3s. 6d. each.

10,000 BOTTLES WERE SOLD LAST SEASON OF
GRESSWELL'S PECTORAL DROPS,

For Influenza, Coughs, Colds, Shortness of Breath, Asthma, &c.

This invaluable Medicine has the property of immediately relieving Coughs, Colds, Hoarseness, Difficulty of Breathing, and Huskiness in the Throat. It operates by dissolving the congealed phlegm, consequently causing a free expectoration. Those who are troubled with that unpleasant tickling in the throat which deprives them of rest night after night, by the incessant cough which it provokes, will, by taking one dose, find immediate relief, and one bottle will, in most cases, effect a cure. In asthma, chronic coughs, influenza, difficulty of breathing, &c., no pen can describe the wonders that have been performed by this invaluable medicine. The young and the aged have alike experienced its salutary effects; even after their medical adviser has pronounced their case hopeless, they have, by taking these incomparable drops, been restored to perfect health and vigour.

SOLD IN BOTTLES AT 1s. 1½d. EACH.

Prepared and sold by C. G. CRESSWELL, Chemist, Kidderminster; and at DEIGHTON'S, Sole Agent for Worcester and its Vicinity; and Wholesale by WEAVER and Co., Wolverhampton; Sole Agent for Stourport and its Vicinity, Mr. WHEELDON; Sole Agent for Stourbridge, Mr. HEMING.

COD LIVER OIL.

The pure product of fresh and healthy livers may be procured in the highest possible state of perfection, from

WILLIAM HODGKINSON,

(Successor to Lea, Perrins, & Court.)

VICAR STREET, KIDDERMINSTER.

This Oil being prepared expressly for W. H.'s sale, from the livers of fish brought to the London market, is perfectly free from the slightest taste or flavor, and consequently will not disagree with the most delicate stomach. This is a great desideratum, and one that can seldom be claimed for any foreign oil, as the tendency to rancidity is so great that the most attentive care cannot prevent its deterioration.

HODGKINSON'S CONCENTRATED ESSENCE OF GINGER.

Ginger has long been held in high estimation for the beneficial effects it exerts in Gouty habits, Spasms or Cramp of the Stomach, Oppression after eating, in Sciatica and Chronic Rheumatism.

All the inconveniences arising from the difficulty of giving ginger in sufficiently large doses, in consequence of bulk, &c., are obviated by the use of this *concentrated* preparation, the effects of which are gently to stimulate the stomach, to diffuse a mild and cordial warmth, gradually to exhilarate the nerves, and give due tone to the system.

As an addition to the table, it will be found a very useful one, as all its well-known domestic qualities are concentrated in it, without any of its woody fibre or indigestible properties.—Sold in Bottles 2s. 6d. each, stamp included, by
